2. A situation that makes you happy or sad -and tell why
3. What the best part was and why
4. Predict what will happen next (for chapter books)
5. Some neat words or phrases the author uses - write the sentences in which he/she uses them, and underline the words or phrases that you liked.
6. Who I would recommend this book to, and why (be specific)
7. If it was a picture book, how did the pictures help tell the story
8. Summary
9. Questions for the author - be specific!
10. (for nonfiction) List 5 or more facts from the book
11. If you have a different idea for a response, please check with your teacher 😊
