

Dear Incoming Fourth Grade Parents,

As many of you know, one of the highlights of fourth grade is our trip to Sacramento to visit the Capitol, Sutter's Fort, The Railroad Museum, and to Coloma to pan for gold. We have scheduled next year's trip for Thursday, May 9, 2019. Inside the orange envelope you will find the information to sign up for the trip. I am sending it early, so you can have the chance to spread out the payments. On the second sheet you will find our trip number and the cost. This price includes the airfare, food, admission to the venues, and tour bus. You will also find listed on the second page, information on FLAG financial assistance. Please look into it if you think you qualify. Also, parents are welcome to come as well. It is a long, fun day, but it is packed with tons of learning opportunities! If you have any questions, please feel free to email me at mcenteno@icschoolmonrovia.org.

Looking forward to an exciting 2018/2019 school year!

Mrs. Centeno
