Projects & Presentations

Lord of the Flies

Mr. Ranches' 8th Grade Literature Class

This summer you will be reading "Lord of the Flies" by William Golding. You are required to complete **ONE** of the projects listed below. Projects will be due when school begins. Presentations will be determined at a later date. Please practice your presentations with an adult.

1. Timeline - Create a timeline of important events in "Lord of the Flies." Include at least 8 events and an illustration either drawn, or using clip art or magazine cut-outs in correct order.
2. Character Analysis - Make a poster identifying the characters of "Lord of the Flies." Be sure to include pictures of them either drawn or taken from file photos. Be sure to tell who each character is and why they are important to the story.
3. Diorama - Make a diorama depicting the island the boys landed on. Include their boats and the villages they lived in etc., using a shoe box, modeling clay, Playdo, fabric and/or bits of yarn. Include a short written explanation of what the island looks like and how many of the boys lived there. (A diorama is 3D. You could use the inside of a shoe box, cover it in construction paper to create a background, add items inside the shoebox.)
4. Collage - Create a collage depicting important images from the book. Include characters, events, items, and words that are important to the book. Here are a couple of examples:
